Build Sponsorships will be listed on our website and acknowledged on Event Postings leading up to and following the event on Social Media. You may dedicate the build signage at the build in addition to providing volunteers, if desired. Vet a Pet and Basic Hound Sponsorships will receive acknowledgment on Social Media.

Off the Chain USA provides non-judgmental assistance to improve the welfare of dogs who are chained/tethered in NE Georgia. We serve as an advocate and voice for responsible dog ownership and owner accountability. Primary services include building free fences for qualified families and distributing free dog houses. We also educate pet owners about proper pet care, and when available provide other resources such as pet food, leashes, collars, pet carriers, water/food bowls, spay/neuter, and veterinary care.
